**INSTRUCTIONS:**

- **Answer question one and any other two**
1. a) Given what you have learnt about the theories and factors that influence crime victimization, how can victimization be prevented? Be sure to tie your prevention ideas to what is thought to cause victimization. (10 marks)
  - b) Examine the contributions of Benjamin Mendelsohn, Von Hentig and Stephen Schafer to the field of Victimology. (10 marks)
  2. Using concepts in Penal Victimology and Critical Victimology, evaluate the role of Victimology to our understanding of criminal activity. (20 marks)
  3. Compare and contrast the Uniform Crime Report and National Crime Victimization Survey. In your view, which is the best measure of victimization? Justify your response. (20 marks)
  4. Discuss some of the rights that victims of crime are granted by the Constitution of Kenya and other legal provisions in Kenya. (20 marks)

5. You were a victim of an armed robbery. You were robbed at gunpoint while walking on the sidewalk after work. The offender stole your wallet, jewelry, and watch. He has been found guilty of robbery. Develop a complete Victim Impact Statement about how his crime affected your life. (20 marks)
