**INSTRUCTIONS:  Answer   question ONE and any other TWO**

1.    (a)    Discuss the claim that morality is a necessary condition for law        [10 marks]

      (b)    Identify and briefly explain any four areas where morality and law converge

                                                                                  [10 marks]

      (c)    Define law and explain any four conditions essential in law in the view of

      Thomas Aquinas                                                            [10 marks]

2.    Discuss the "due process" clause and its application in the administration of justice.

                                                                                  [20 marks]

3.    Ignorance of the law is not an excuse. Discuss                              [20 marks]

4.    Explain the legal claim that possession without ownership ripens into ownership while

      ownership without possession eventuality withers away.                      [20 marks]

5.    Should law ideally be changed from time to time? Why or why not?            [10 marks]
