---

#### INSTRUCTIONS:

- Answer Question One (Compulsory) and any other two from those provided
- Write legibly and neatly
- Do not write on this question paper

- (a) What is the difference between supervision and inspection? [6 marks]
  - (b) In a learning institution, there are various activities of a supervisor. Highlight any four of these activities. [8 marks]
  - (c) An effective supervisor is required to have a number of basic skills. Discuss three of these skills. [12 marks]
  - (d) Briefly explain the ethical considerations that a supervisor needs to apply when discussing observations made during supervision of instruction. [4 marks]
2. With close reference to Douglas McGregor's (1906 -1964) Theory X and Theory Y, discuss how a school supervisor is supposed to handle human resources in an institution. [15 marks]
3. An instructional process starts outside the classroom before the actual classroom teaching and ends outside the classroom of the actual classroom observation. Discuss the three phases of an institution process. [15 marks]

4. Provide a summary of the development of supervision in reference to different phases of development. [15 marks]
