INSTRUCTIONS

- **Answer any three questions**
- **Each question carries 20 marks**
- **Do Not write on the question paper**

- Q1.** Discuss the available legal framework in Kenya for administration, management and conservation of wildlife **(20 marks)**
- Q2.** Stakeholders' engagement process is very important in guaranteeing success of wildlife policies and laws but it can also be very expensive and with unnecessary delays. Discuss stakeholders' analysis as a way of remedying this in planning and development of a conservation project. **(20 marks)**
- Q3.** (a) Discuss monism and dualism view with regard to international and national wildlife law **(12 marks)**
- b) Describe how a treaty wildlife law is transformed into a domestic law. **(8 marks)**
- Q4.** Describe the policy formulation process with specific insights to Kenya's wildlife policy **(20 marks)**

- Q5.** The success of wildlife management is heavily reliant on sustainable land management. Policies and laws in other sectors of the economy that use land as their base resource can therefore have a significant implication on wildlife management. Discuss. **(20 marks)**
