ECONOMICS AND STATISTICS, BACHELOR OF ARTS IN ECONOMICS AND
SOCIOLOGY, BACHELOR OF ARTS IN ECONOMICS & MATHEMATICS AND**

ECON 235: ECONOMIC STATISTICS II

SUPPLEMENTARY/RESIT EXAMINATION

QUESTION ONE

- a Write short notes on the following:
- i Regression co-efficient [4 Marks]
 - ii Regression equations [4 Marks]
 - iii Standard error of estimates [4 Marks]
 - iv Co-efficient of determination [4 Marks]
 - v Co-efficient of non-determination [4 Marks]

b) The table below shows the number of motor vehicles registration in a certain territory for a term of five years and the sale of motor tyres by a firm in that territory for the same period

Year	Motor Registration	No. of Tyres sold
1	600	1250
2	630	1100
3	720	1300
4	750	1350
5	800	1500

Find the regression equation to estimate the sale of tyres when the motor registration is known.
Estimate the sale of tyres when motor registration is 850 [10 Marks]

QUESTION TWO

Four coins are tossed at time 208 times. Number of heads observed at each throw is recorded and the results are as follows:

Heads	0	1	2	3	4	Total
Frequency	5	48	112	35	8	208

- i Fit a binomial distribution to the above data [10 Marks]
- ii Briefly discuss characteristics of Poisson process [10 Marks]

QUESTION THREE

i Correlation does not necessarily mean causation. Discuss [5 Marks]

ii Find the pearsonian correlation coefficient from the following series of marks obtained by 10 students in a class test in mathematics (X) and statistics (Y) [10 Marks]

X	45	70	65	30	90	40	50	75	85	60
Y	35	90	70	40	95	40	60	80	80	50

iii) Compute the probable error PE(r) [5 Mark]

QUESTION FOUR

The following table gives the monthly sales of a certain firm in three states by its four salesmen:

States	Salesmen				Total
	A	B	C	D	
X	5	4	4	7	20
Y	7	8	5	4	24
X	9	6	6	7	28
Total	21	18	15	18	72

Set up an analysis of variance table for the above information. Calculate the F-coefficient and state whether the difference between sales affected by the four salesmen and difference between sales affected in three states are statistically

significant [20 Marks]
